

CAMELS

The camel lovers will present their breeding, sports and leisure animals, their by-products, camel milk and cosmetics.

Breeding and Pedagogy will be treated with explanatory panels.

WELL-BEING AND HEALTH : ADVICE, PEDAGOGY, AND PRACTICAL CASES

A well-being and health space is available for camel drivers and jockeys, breeders, teachers, owners and lovers.

Health, care, feeding, accommodation, behaviour, locomotive apparatus : these subjects will be treated by specialists from France and from abroad.

First experience, initiation to camel riding, demonstrations and workshops will be proposed every day by passionate breeders and owners.
